

FENCING

Colorbond Fence Post Double Caps

\$2.09 (inc. GST)

UV-resistant double post caps for Colorbond C-channel posts — protects exposed post tops from moisture and extends fence life.

SPECIFICATIONS

Material	Hard Plastic
Resistance	UV & Moisture Resistant
Compatibility	Double post configurations

PRODUCT DESCRIPTION

Colorbond fence post double caps neatly finish and protect the tops of double posts, shielding exposed ends from moisture, debris and impact damage. Made from UV and moisture-resistant hard plastic, these caps provide a clean, professional look while extending the life of your fence posts. Available in standard and special colours.
