PRODUCT DESCRIPTION

Colorbond fence sheets are the go-to choice for low-maintenance, weather-resistant residential and commercial fencing across Melbourne and Victoria. Manufactured from genuine BlueScope Colorbond steel (0.35mm base metal, AS/NZS 2728:2007 compliant), these panels deliver long-lasting colour, strength and privacy. Available in three profiles — Trimclad, Metline and Metzag — and 22 standard Colorbond colours to match any property. Pair with Colorbond C-channel posts and rails for a complete, seamless fence system. Trade pricing, Melbourne stock.
